The Oxbox™ is a lighter duty range of tool vaults designed for lower risk and lower budget situations, while still providing a good level of security and protection. Built using clever technology alongside thinner gauge steel to create strength by forming extra folds in the material. The main features such as locks, hinge, gas struts and paint finish have been kept to the same standard as the Strongbank™ and Tuffbank™. Available in 4 popular sizes, the Oxbox™ offers an excellent level of security at the best possible prices.

Product Code	Description	Weight	External Dimensions W x D x H (mm)	Internal Dimensions W x D x H (mm)
OX1	VanBox	30kg	910 x 490 x 445	850 x 455 x 440
