

Secure storage cabinet designed to keep the 'copper thieves' at bay!

FITTINGSTOR™

Robust steel plate construction giving maximum protection

Tough lift-out plastic fittings bins supplied

3x Reinforced adjustable shelves (2 supplied with FC2)

2x Keyed alike 5-lever deadlocks with heavy duty Chubb style keys, welded security ID numbers and 6mm reinforcement

Heavy duty industrial castors fitted as standard

With the high cost of copper fittings and electrical cable, the Fittings Stor has been developed to safely secure all M&E components and tools in one location. Featuring adjustable shelves, removable fittings bins and heavy duty castors, it is no wonder this innovative product is in popular demand amongst today's contractors.

Product Code	Description	Weight	External Dimensions W x D x H (mm)	Internal Dimensions W x D x H (mm)
