Keep your expensive pipe locked up on the building site in this portable PipeStor™, commonly known as a 'copper coffin'. This exclusive product is divided internally into four sections for different size pipes and it can be extended to take longer lengths by adding extra sections.

Secured on one end with a heavy duty door and lock, the PipeStor sure is an effective way of beating the 'Copper Thieves'!

Can be easily dismantled and stacked when not in use

Ideal for copper pipe and fittings

Chubb style, serial numbered keys
