Electrical shock hazard

Indoor use only

1. SAFETY

1.1. GENERAL SAFETY

- WARNING!** The warnings, cautions and instructions in this manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be applied by the operator.
- WARNING!** This appliance can be used by children aged 8 years and older and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge, if they have been given supervision or instruction concerning use of the appliance in a safe way and can understand the hazards involved.
- WARNING!** Stop use of the handheld vacuum cleaner immediately if you notice anything abnormal.
- WARNING!** If the handheld vacuum cleaner is dropped or struck check carefully for cracks or damage before use. Replace or repair any damaged parts.
- * **DO NOT** use outdoors or on wet surfaces.
- * **DO NOT** use to pick up hot materials, flammable liquids, wet dirt, water, oil or similar. Hard pieces with sharp edges such as stone, glass, nails or pins.
- * **DO NOT** vacuum toxic materials to avoid health hazards from vapours or dusts.
- * **DO NOT** block the intake hole or vents.
- * **DO NOT** leave or place near or on a heat source.
- * **DO NOT** operate the handheld vacuum cleaner when you are tired or under the influence of alcohol, drugs or intoxicating medication.
- * **DO NOT** operate the handheld vacuum if any parts are missing or damaged, as this may cause failure and/or personal injury.
- * **DO NOT** allow persons unfamiliar with the handheld vacuum or these instructions to operate the handheld vacuum.
- * **DO NOT** use without filter in place.
- ✓ This handheld vacuum cleaner is intended for light duty use only, in the home, workshop or in car body only.
- ✓ Keep free of dust, lint, hair and anything that may reduce air flow. Keep hair, loose clothing, fingers away from openings and moving parts.

Consumable parts (battery):.....
2Ah CP20VBP2
4AH CP20VBP4
6AH CP20VBP6
Consumable part (filter)..... CP20VCVCF
Drum capacity: 650ml
Filter type: Cartridge filter
Maximum vacuum pressure: 8.5Kpa
Motor power: 100W

4. OPERATION

Unpack the product and check contents. Should there be any damaged or missing parts contact your supplier immediately.

4.1. BATTERY INSTALLATION

4.1.1. To insert the battery align the tongue on the battery cartridge (fig 1 - 1) with the groove in the vacuum cleaner handle housing (fig 1 - 10) and slide it into place. Insert the battery all the way in until it locks into place.

4.2. BATTERY REMOVAL

4.2.1. Hold the vacuum cleaner handle housing tightly and push the battery latch button (fig 1 - 2), then slide and remove the battery.

4.3. ATTACHING AND REMOVING NOZZLES

4.3.1. To install, firmly push either the floor nozzle (fig 1 - 5) or the crevice nozzle (fig 1 - 6) completely onto the intake port on the drum cannister (fig 1 - 4).

4.3.2. To remove simply pull the nozzle off the drum cannister.

4.4. ATTACHING AND REMOVING THE EXTENSION TUBE

4.4.1. To install the extension tube (fig 1 - 7) push the end marked '32' completely onto the end of the intake port on the drum cannister, then attach either the floor or crevice nozzle.

4.4.2. To remove simply pull the extension tube off the drum cannister.

NOTE: The cordless handheld vacuum cleaner is also supplied with a brush nozzle. Not shown on diagrams.

4.5. TURNING THE VACUUM CLEANER ON/OFF

4.5.1. To turn the vacuum cleaner on, push the on/off switch (fig 1 - 9) forward.

4.5.2. To turn the vacuum cleaner off, push the on/off switch backwards.

4.6. USING THE VACUUM CLEANER

4.6.1. Select the most suitable nozzle for the task. Attach the extension tube if required.

4.6.2. Hold the vacuum cleaner by the gripping handle (fig 1 - 10).

4.6.3. Switch the vacuum cleaner on, and push it at an even speed for cleaning.

4.7. EMPTYING THE DRUM CANNISTER

To maintain optimal performance the vacuum cleaner should be emptied after each use, or whenever the suction power becomes weaker.

4.7.1. Press the drum cannister release button (fig 1 - 8) and remove from the motor housing (fig 1 - 3). Remove the filter assembly (fig 2 - 1) from the drum cannister.

4.7.2. Shake/tap out the drum cannister over a suitable waste bin.

4.7.3. Re-assemble in reverse order.

5. MAINTENANCE

5.1. Use a clean cloth to remove dirt, dust oil, grease etc.

× **DO NOT** use solvents to clean the cordless handheld vacuum cleaner.

5.2. CLEANING THE DRUM CANNISTER

5.2.1. Remove the drum cannister and filter assembly as described in section 4.7.1.

Clean the drum cannister (fig 1 - 4) with a moist cloth.

5.3. CLEANING THE FILTER ASSEMBLY

5.3.1. Remove the filter assembly (fig 2 - 1) from the drum cannister (fig 1 - 4).

5.3.2. Twist the filter cover (fig 2 - 2) clockwise to remove.

5.3.3. Brush the fabric of the filter with a soft brush over a suitable waste bin.

5.3.4. Re-attach the filter cover (fig 2 - 2) and lock into place by turning anti-clockwise.

NOTE: The filter, if required, can be cleaned by washing under running water. All parts must be fully dried prior to re-assembly.

ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.

WEEE REGULATIONS

Dispose of this product at the end of its working life in compliance with the EU Directive on Waste Electrical and Electronic Equipment (WEEE). When the product is no longer required, it must be disposed of in an environmentally protective way. Contact your local solid waste authority for recycling information.

Note: It is our policy to continually improve products and as such we reserve the right to alter data, specifications and component parts without prior notice.

Important: No Liability is accepted for incorrect use of this product.

Warranty: Guarantee is 12 months from purchase date, proof of which is required for any claim.
