Wear a mask

### 1. SAFETY

**NOTE!** This appliance is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities or lack of experience and knowledge, unless they have been given supervision or instruction concerning the use of the appliance by a person responsible for their safety. Children should be supervised to ensure that they do not play with the appliance. The Sealey Hand Pressure Sprayer Model No SCSG09 is safe and only becomes a safety issue when used with toxic fluids. The following safety instructions are bullet points and cannot cover every aspect of user safety.

- ❑ **WARNING!** Be aware of the safety requirements (C.O.S.H.H.) for the fluids contained in the vessel.
- ❑ **WARNING!** Wear safety equipment as advised in (C.O.S.H.H.) statements.
- ✓ Do read and follow all the fluid manufacturers instructions for application and safe use.
- ✓ Store the vessel inside an outbuilding away from foodstuffs and out of reach of children.
- ❑ **WARNING!** Label vessel with chemical used, even if water. It is highly recommended that individual vessels should be used for individual chemicals. Cross contamination can give unexpected results. Also possible spillages are avoided in transferring liquids.
- ✗ **DO NOT** spray at people, animals, protected insect species, in high winds, at naked flames or sources of heat.
- ✗ **DO NOT** use the pressure sprayer for any purpose other than for which it is designed.
- ✗ **DO NOT** use whilst eating, drinking, smoking; under the influence of drugs, alcohol, intoxicating medication, or if fatigued.
- ✗ **DO NOT** use to spray flammable liquids, solvents etc..

### 2. INTRODUCTION

Robust composite construction with ergonomic pump and handle for the generation of dry and long lasting foam. Quality pump made from highly resistant materials. Ideal for use in detailing and cleaning. Large 55mm opening for easy refilling and reduced spillage. Translucent tank with level indicators. Safety Valve with depressurization option. Supplied with one foam and one adjustable water mixer.

### 3. SPECIFICATION

Model No:	SCSG09

- 4.6. Attach a label with contents indicated.
- 4.7. Operate the trigger to spray and rotate the nozzle to obtain desired spray mode.
- 4.7. After use, operate pressure relief valve to depressurise vessel.

### 5. MAINTENANCE

- 5.1. Flush externally with water to clean off residuals and store in a dry childproof area.

#### ENVIRONMENT PROTECTION

Recycle unwanted materials instead of disposing of them as waste. All tools, accessories and packaging should be sorted, taken to a recycling centre and disposed of in a manner which is compatible with the environment. When the product becomes completely unserviceable and requires disposal, drain any fluids (if applicable) into approved containers and dispose of the product and fluids according to local regulations.
